2. The [redacted] submitted a list of property on a Form DD-545 (B attached) dated 12 May 1958. The original total value of this material amounted to $4,202.58.

25X1

3. On June 27, 1958, [redacted] instructed [redacted] of the Contract Admin. Branch to have all of the material returned to the [redacted] warehouse. 8. On August 15, 1958, [redacted] forwarded a letter accompanied by a letter from [redacted] (C attached), which offered $150.00 for the listed items. 25X1 25X1

9. But the second list did not correspond to the items listed on the aforementioned DD-545 dated May 12, 1958. The total value was only in the amount of $1,490.75.

10. When [redacted] was queried regarding the disparity of the two lists, the September 23, 1958 letter was forwarded to clarify what had occurred. 25X1

11. It is now requested that Commo be questioned to determine if the bid of $150.00 is satisfactory for the material listed on the August 14, 1958 letter.

12. They should also be consulted regarding the disposition of the remaining items.

A

Subject: Contract H-2061

Gentlemen:

Please consider this correspondence as a formal request from the to your office for approval of the $150.00 offer by the Inc. on Subcontract No. 55-4 for their Residual Inventory forwarded to us by letter dated 14 August 1958. 25X1 25X1

As you will note, the Residual Inventory List submitted by 25X1 14 August 1958, totals to $1,490.75. This list is submitted in addition to the previous list of Residual Inventory dated 12 May 1958 on Form DD 545 for approximately $4,100.00. The disparity between these two lists lies in the fact that offers to purchase for $150.00 only that material listed in 25X1 their 14 August 1958 form. The balance of the material, as delineated in the 12 May 1958 list, shall revert to the possession of the Government. Therefore, I believe that upon your determination that the Residual Inventory offered for $150.00 is of no utility to the Government, the offer may be considered to be reasonable and acceptable by both the and 25X1 you.

I hope that the above information clarifies the somewhat hazy picture which previously existed and permits us to close-out this phase of the Contract.

We shall sincerely appreciate your advice at the earliest possible date.

Very truly yours,

25X1
